Date: December 15, 2023

COS Campuses Close for Winter Break

COS / Weed – The College of the Siskiyous Weed and Yreka Campuses will be closed Friday, December 22 through Monday, January 1, 2024 for the Winter Holiday. Both campuses will reopen Tuesday, January 2, 2024. During the campus closure students may continue to register for 2024 Winter Session and Spring Semester classes using the online registration system at www.siskiyous.edu.

Registering for a Winter Session class (or two) is a great way to ‘catch up, keep up, or get head’ in your education. College of the Siskiyous provides transfer classes to four-year colleges, associate degrees, vocational certificate programs, job skills classes, and courses for personal enrichment and recreation. Winter Session classes will begin January 2, 2024. The majority of classes offered during the four-week intersession are online. Spring semester classes will begin January 30, 2024. View the schedule of classes offered online at www.siskiyous.edu.

The College offers many services to students including advising and counseling, on campus housing, tutoring, financial aid, and an onsite campus bookstore where students may also purchase their books and supplies. Be sure to register early to get the classes you need and want.

For more information about attending COS, or to schedule an appointment with an advisor or counselor, call the Counseling and Advising Office at (530) 938-5353 or email your request to counselingservices@siskiyous.edu. The office will provide you with the help you may need to clarify and successfully complete your academic and career goals.
