College of the Siskiyous

Dear Superintendent/President Schoonmaker:

At the meeting of June 6-8, 2016, the Accrediting Commission for Community and Junior Colleges took action with regard to College of the Siskiyous, which included a Follow-Up Report and visit. This letter will confirm that the visit will take place November 5-6, 2017. Please send copies of the institutional Follow-Up Report to the team.

The team roster is attached. If you identify any conflict of interest as described in the ACCJC Policy on Conflict of Interest for Commissioners, Evaluation Team Members, Consultants, Administrative Staff, and Other Commission Representatives (attached), please let me know as soon as possible. The team will devote its attentions primarily to the matters that are identified in the Action Letter (attached) and to which the report is directed. You will be hearing from the team chair to discuss the visit and take care of any logistical matters that might be involved.

Upon completion of the visit, the Team Chair will prepare a short report which will be presented to the Commission at its meeting in January 10 – 12, 2018. Soon after the meeting the College will be informed of the action taken by the Commission.

On behalf of the Commission, thank you for your continued commitment to accreditation and academic quality in higher education. I look forward to supporting you and your college as you engage in this important work. Please let me know if there is anything I can do to assist you.

Sincerely,

Stephanie Droker
