Petition to Enroll in Excess Units

Students who wish to register for more than 18 units during a fall or spring semester, 10 units in a summer term, and/or 4 units in intersession must have the written approval of a College of the Siskiyous counselor. Approval to register for the allowable number of units will be granted to students who meet the requirements outlined on the Petition to Enroll in Excess Units form. High school units can be considered. If students do not meet this criteria, the counselor may consider other criteria. Students may enroll in ADJ 2050, or ADJ 2517, ADJ 2516, and/or ADJ 2014, or FIRE 0950 during fall and spring semesters without meeting the unit and GPA requirements. FIRE 0951 & 0952 students may also enroll in EMS 9065 and FIRE 2949.
