

Policy for Compliance with 38 U.S.C 3679(e)

Effective Fall 2019 and supersedes all previous policies

College of the Siskiyous requires all VA beneficiaries to sign a Certification Agreement form each semester that the student(s) attend. The Certification Agreement form is a written request from the student that allows them to utilize their VA educational benefits in a specific semester. The Certification Agreement form also informs the student(s) of their responsibility to notify the School Certifying Official of any changes to their enrollment promptly to avoid overpayments.
