Hello Siskiyous and Happy Women's Herstory Month!

This week's updates:

Follow-Up

- **Convocation Survey:** If you haven't done so already, please provide your feedback regarding Convocation day by completing this [survey](#).

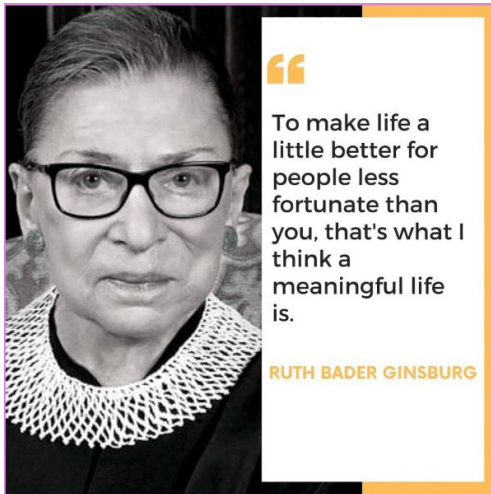

New Items

- **Enrollment Report:** Can be accessed [here](#).
- **COVID Status:** Currently, we have zero positive cases (YAE!).
- **New COVID Test Schedule:** Attached and can be accessed [here](#).
- **Reminder: Mask Protocol:** The College is still implementing the current Mask Policy which can be accessed [here](#). We understand that there have been changes to CDC and CDPH mask guidance that transition the State from a mask mandate to a 'highly recommended' status. Exec is reviewing the mask survey results (thank you for submitting!) and, with feedback from constituent leaders as well as guidance from SCPH, we will inform the campus of any proposed changes next week. For your reference, Siskiyou County is still considered in the 'high' COVID-19 risk level: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>.
- **Update on Housing Grant:** We just received word that the Department of Finance is recommending that College of the Siskiyous be funded \$32 mil. for its housing grant. This is now in the final, legislature, approval stage. We hope to receive confirmation of approval this month. KUDOS to everyone who has assisted through this process. The recommendation alone is such a MAJOR accomplishment! Stay tuned for updates!!!

SJEDI Corner

March is designated Women's History Month by presidential proclamation. In 1978, Women's History Month started as Women's History Week by the Education Task Force of the Sonoma County Commissions on the Status of Women. In 1980, the National Women's History Alliance successfully lobbied for national recognition and, the president at that time, Jimmy Carter, issued the first Presidential Proclamation declaring the week of March 8th as National Women's History Week. It wasn't until Congress passed Public Law designating March as Women's History Month in 1987. This year's Women's History Month theme is: *Providing Healing, Promoting Hope*. With that said, I would like to acknowledge and celebrate our

Siskiyou employees who have served on the frontlines to assist, encourage and support our students on a daily basis. Thank you for all you do!
