- **Revision to Mask Policy:** An email will be sent later today regarding any proposed revisions to the Mask Policy as well as the data collected.
- **Food Services Concerns:** We have been receiving complaints regarding Food Services and, we hear you. I want to assure you that none of these complaints have been ignored. We have been diligently working to address these concerns and are in the process of implementing strategies to mitigate some of the issues. I want to give Dr. Doug Haugen, Ty Speck and Austin Toney a HUGE thank you for coordinating efforts to improve Food Services on-campus. We really appreciate all of your efforts and could not manage this without you! Now that we seem to be in the recovery stage of this pandemic, our hope is for Food Services to return to pre-pandemic operations. We appreciate everyone's patience as we make this transition.
