Hello Siskiyous and Happy Every Girl Wins Day!

This day helps bring attention to women's rights. According to [a report published by UN Women](#) in September 2022, it could take close to 300 years to achieve full gender equality at the current rate of progress. COVID-19 and the backlash against women's sexual and reproductive health and rights are further diminishing the outlook for gender equality. Click on the report link above to learn more.

This Week's Updates:

- **Enrollment Report:** Can be accessed [here](#).
- **NEW DATE: Kelly's (Really) Retiring Party!** Scheduled on Friday, April 7th at the Mt. Shasta Brew Co. from 5:30p – 7p. Please see attached flyer for details. Outlook invite to follow!
- **WOOT – SHOUT OUT:** Dereck Chavarria, new Student Ambassador, and Sarah Montgomery, Bookstore Supervisor! While Dereck was working in the student center, he heard an older gentleman speaking on the phone and realized he was being scammed. Also, thank you Christina Wigglesworth for sharing this amazing story!
- **The Research & Evaluation Webpage has a new look!** Thanks to JT, the Research & Evaluation page now displays snapshots of informative data related to enrollment, student demographics and unit loads. The webpage can be accessed [here](#). Additional thanks to Weblinks for helping JT update the page!
- **Reach University Partnership:** I am happy to announce that Siskiyous has recently collaborated with Reach University which gives our employees the opportunity to pursue a Bachelor's in Liberal Arts degree at a minimal cost.
