NEW TO SISKIYOU'S

First Time or Transfer Student - Steps for Enrollment

Step 1: Apply to the College

Prospective students must complete an application to attend. Go to the Siskiyous homepage (www.siskiyous.edu), click on "Apply" and then follow the instructions.

- Within 24 hours, you will receive an email confirmation with your new Siskiyous student ID (also known as S number) and the mySiskiyous student portal login information.
- Contact Admissions and Records if you do not receive this email.

Step 2: Apply for Financial Aid

Many people do not realize that they qualify for Financial Aid benefits, so we recommend that everyone apply. Fill out the Free Application for Student Aid (FAFSA) to get started. The FAFSA helps determine whether students are eligible for Federal loans, grants or work-study programs.

What you will need:

- A Federal Student Aid ID to sign electronically
- Your Social Security Number
- COS College school code: 001187
- Your federal income tax returns, W-2s and other records of money earned

Note: The FAFSA asks about 100 questions and can take about 30 minutes to fill out. If you gather all of the documents you need ahead of time, it will be much easier and faster. After you complete the FAFSA, allow 5-7 business days for the Financial Aid Office to process your application. Check the status of your application by logging into the mySiskiyous student portal and clicking on the 'Billing & Financial Aid' tab. Contact the Financial Aid Office if you have questions.

Step 3: Send in Official Transcripts

COS uses a holistic approach in assessing a student's overall preparedness for courses such as math and English. To expedite placement in your classes send in your official high school or college transcript to:

College of the Siskiyous
ATTN: Admissions and Records
800 College Ave
Weed, CA 96094

Step 4: Orientation

Your next step is to set up a Siskiyous Orientation, Advising and Registration (SOAR) Session. SOAR sessions can be completed in person or online. To schedule a SOAR contact our Counseling and Student Support Programs department:

Email: counselingservices@siskiyous.edu
Phone: (530) 938-5353

What is a SOAR? A SOAR session is a mandatory orientation for new students. During your SOAR session you will receive advising, a class schedule, and a campus tour. Please check the SOAR web page for more details and dates of upcoming orientations. (<https://www.siskiyous.edu/counseling/orientation/>)

Step 5: Access your mySiskiyous Portal

Click mySiskiyous in the navigation bar at the top of the COS homepage, or go to my.siskiyous.edu. This will take you to a Microsoft sign-in page. Enter your COS email address, found in your COS welcome letter. If you cannot find your email address, contact the Student Help Desk using the information below.

Click Next, then enter your password, also found in your COS welcome letter. The first time you log into your account, it will force you to change your password. Your new password must contain characters from at least three categories (uppercase letter, lowercase letter, number, special character), and cannot contain your first or last name or the word "eagles."

Once you have changed your password, you will be required to set an authentication method. You can choose to download and set up the Microsoft Authenticator app on your phone, or you can click "I want to set up a different method" and set a method consisting of answering security questions or receiving a code via alternate email, a text message, or a phone call.

If you have followed these instructions and are still unable to access your account contact the Student Help Desk with your name, contact information, and either your student ID number or your date of birth and the last four digits of your social security number. (<https://www.siskiyous.edu/studentsupport/>)

Step 6: Register for Classes

Registration may be completed through the mySiskiyous student portal or by filling out a registration form and returning the form to Admissions and Records. For instructions on adding courses online visit www.siskiyous.edu/admissions/registeringmysiskiyous.htm.

Step 7: Pay your Fees

All fees are due upon registration. Classes may be paid for in the following ways:

- Financial Aid
- Payment Plan
 - Contact the Business Office to set up a payment plan.
- Pay in Full
 - Online through your mySiskiyous student portal under the Registration tab - "Pay Bill"
 - In person at the Business Office.

Step 8: Your Siskiyous Email

Siskiyous students have access to Microsoft Office 365, which provides each student an email account once you have registered for classes (or are waitlisted for a class). Please wait 24 hours after registering for your account to become active. Your email account is used for all official communications from the College, so please be sure to check it regularly or have it forwarded to an account you check often.

Go to <https://outlook.office365.com/owa/> and log in with your full COS student email address. Your COS student email address will be your mySiskiyous user name, followed by @siskiyous.edu (username@siskiyous.edu). Your default password will be your student ID number followed by a hyphen and your birthdate (S#####-MMDDYY).

More information regarding your student accounts and other student resources is available on the Student Support page (www.siskiyous.edu/studentsupport/). If you need additional assistance to access your COS student email, please write to the Student Help Desk (studenthelpdesk@siskiyous.edu) or call (530) 938-5523.

Each student applying for admission to College of the Siskiyous will, therefore, be classified as a resident or non-resident of California in accordance with the Education Code. Each student shall provide such information and evidence of residency as deemed necessary. The day immediately preceding, the first day of instruction for the semester shall be the residency determination date for the fall and spring semesters. The day immediately preceding the first day of instruction shall be the residency determination date for all summer sessions.

Resident: Applicant who has documentation of at least one full year of continuous legal residency in California immediately prior to the residency determination date for the semester or summer session for which they seek admission. The applicant must also prove that they intend to make California their permanent home.

Non-resident: An applicant who has not maintained a full year of continuous legal residency in California, immediately prior to the residency determination date, for the semester or summer session for which they seek admission.

Unknown – Possible Resident: Needs further documentation.

Establishing Residency: In order to establish California residency, a student must first be a citizen of the United States, a permanent resident or an applicant for permanent residency, or on visa status, that does not preclude him/her from establishing domicile in the United States. It is necessary that there be both "act" and intent. The act necessary to establish legal residency is physical presence of one year and one day in California. While intent may be subjective, there are many possible indications of one's intent to maintain legal residency in California. It is the responsibility of the applicant to furnish information and evidence of both physical presence and intent, as requested by the Admissions & Records Office. Information on establishing residency is available online.

Statutes: The statutes regarding residency determination are found in Sections 68000-68090 and 76140 of the California Education Code, Sections 54000-54082 of the California Administrative Code, and College of the Siskiyous District Board Policy.
