**REGULAR AGENDA**

Item 6. **Citizen’s Bond Oversight Committee Annual Report**
It was recommended to approve the Annual Report subject to sending it to the whole board for corrections. Minor corrections or additions could be made by email; major corrections would require a meeting and the report to be finished by May 10 for feedback.

There was discussion about putting a notice about the annual report in the paper. Kent is going to look at the article from last year. He said the full report is on the website and can be referenced in the article. The Committee asked that Kent, Denise Broomfield and Dawnie Slabaugh work on an article about the annual report.

Item 7. **Other**
Connie asked when the economy gets better how we would know when we can go out for the rest of the bond money. Steve answered that the College has asked the County to send us assessments and calculations each year so we will know when we are able to go out for the rest of the bond.

There was discussion about dates for another meeting. All projects are completed and we have no activity or money to expend at the present time. Another meeting would be necessary if we were able to go out for the rest of the Bond. There will need to be a meeting for the 2009-2010 fiscal audit. It was requested that a few weeks notice be given before the meeting and a copy of the audit be sent to the committee prior to the meeting.

Item 8. **Adjournment**
There being no further business to discuss, the meeting was adjourned at 2:51 p.m.
