REGULAR AGENDA

Item 5. Background and Update
The Citizens’ Bond Oversight Committee was initially established to hold meetings on a quarterly basis or as needed. Since there was no building/project activity in the Bond Program during FY 2013-2014 and FY 2014-15, the Administration chose not to meet. As of June 30, 2015, the remaining authorized bonds in the amount of $6.4 million dollars have yet to be issued. Property tax evaluations need to increase before these bonds can be issued. Even though there will be no activity until the remaining bonds are sold, we are required to have an annual meeting.

Scotty reported that the College is in the process of updating the Facility Master Plan. As part of this update, the College has submitted a proposal to the California Community Colleges Chancellor’s Office to renovate our Performing Arts Center. This project is estimated to cost approximately $22 million dollars. In order to increase the likelihood that this project would be approved, we have committed to fund 10 percent of the cost or $2.2 million dollars. The funding source for this project would come from the Statewide Facilities Bond Measure which will be on the November 2016 ballot.

Item 6. CBOC Annual Report
A draft of the report for the two-year period beginning July 1, 2013, through June 30, 2015, was reviewed. The report will be posted online once the Board of Trustees has reviewed and approved the report. It was moved and seconded (Shaskey/Olson) to accept the annual report with minor spelling corrections. The motion carried with the following vote: 6 ayes, 0 noes, 1 absent.

Item 7. Other
Nothing to report.

Item 8. Adjournment
There being no further business to discuss, the meeting was adjourned at 3:46 p.m.
