The Board delegates to the Superintendent/President the executive responsibility for administering the policies adopted by the Board and executing all decisions of the Board requiring administrative action.

Any powers and duties entrusted to the Superintendent/President by the Board, including the administration of the College, may be delegated by the Superintendent/President. However, the Superintendent/President will be specifically responsible to the Board for the execution of such delegated powers and duties.

The Superintendent/President is empowered to reasonably interpret board policy. In situations where there is no board policy direction, the Superintendent/President shall have the power to act, but such decisions shall be subject to review by the Board. It is the duty of the Superintendent/President to inform the Board of such action and to recommend written board policy if one is required.

The Superintendent/President is expected to perform the duties contained in the Superintendent/President’s job description and fulfill other responsibilities as may be determined in annual goal-setting or evaluation sessions. The job description and goals and objectives for performance shall be developed by the Board in consultation with the Superintendent/President.

The Superintendent/President shall ensure that all relevant laws and regulations are complied with, and that required reports are submitted in timely fashion.

The Superintendent/President shall make available any information or give any report requested by the Board as a whole. Individual Trustee requests for information shall be met if, in the opinion of the Superintendent/President, they are not unduly burdensome or disruptive to District operations. Information provided to any Trustee shall be provided to all Trustees.
The Superintendent/President shall act as the professional advisor to the Board in policy formation.
