

COLLEGE OF THE SISKIYOU

CURRICULUM COMMITTEE MEETING – MEETING NO. 11

*12 P.M., Wednesday, December 2, 2015
Science 7-210*

- Present:** Neil Carpentier-Alting, Dave Clarke, Jodi Dawson, Maria Fernandez, Michael Graves, Sunny Greene, JonMichael Patterson, Charlie Roche, Todd Scott, Nancy Shepard, Greg South and Chris Vancil
- Guests:** Jesse Cecil, Mike Read and Heather Collins
- Absent:** Eric Houck, Dennis Roberts, Valerie Roberts, and Robert Taylor

Consent Agenda

- Item 1. Approval of Minutes** – November 25, 2015

Regular Agenda

- Item 2. Course Approvals in CurricUNET including, but not limited to:**
a. EDUC 0655 – Educational Bootcamp – New Course
Due to time constraints, this course was tabled until the next meeting

- Item 3. Good of the Order**
a. Dennis Sbarbaro
Dennis Sbarbaro was not present for the meeting

Mike Read and Jesse Cecil attended the meeting to ask the Curriculum Committee if they would approve the Online Lab proposal for the online Math classes so that they can move forward and submit their courses for approval. Jesse shared handouts for the new proposed Math Sequences for fall 2016 and the proposed language for the Math classes. He discussed the acceleration initiative and informed the committee of the current low success rates for math students and how this new sequence will better help them to succeed. They wanted feedback from the Committee on the language and asked if they could submit the courses for approval. The Committee agreed to move forward and submit the Math courses for approval as long as the language states that the Lab portion is not designated for homework. The Lab portion of the class is for Lab activities. Neil will send the courses back to the originators, Mike Read and Jesse Cecil to revise the language in the proposal and then submit them for Curriculum Committee approval.

The following course was not on the regular agenda; however, it was in the Curriculum queue and ready to be reviewed by the Committee once the meeting began.

- a. PSY 1502 – Abnormal Psychology**
This course was sent back to the originator, Heather Collins, to update the Text area and SLO's.

Dr. Scott asked the Committee about the status of the CHEM Degree. He was informed that the degree is planned to be archived.

Maria Fernandez reminded the Committee that she will no longer be a Committee member after the fall 2015 semester. Due to the fact that there is an adequate amount of faculty members on the Committee she will not need to be replaced.

Item 4. Adjournment

Meeting was adjourned at 1:00 p.m.
