Consent Agenda

Item 1. Approval of Minutes – December 9, 2015

Regular Agenda

Item 2. Course Approvals in CurricUNET including, but not limited to:

a. EDUC 0655 – Educational Bootcamp – New Course

The Committee revisited the question of whether a non-discipline instructor could offer a course outside of their discipline and is the instructor qualified to teach the course. After discussing it, the Committee concluded that this course was designed for pre-semester football players to help them with placement testing etc. This is a zero unit course that COS will get apportionment for and there is no charge to the student. Since there is no policy in place regarding this issue, it was suggested to abide by past practice and approve the course. Dave Clarke motioned to approve the course and Mike Graves seconded the motion. After the motion, the Committee agreed to modify the motion and conditionally approve contingent on revision of the SLO's to meet the appropriate standards.

b. PSY 1502 – Abnormal Psychology – Course Update

This course was tabled until the next meeting. Chris Vancil will meet with Heather Collins to help her with the necessary modifications.

Item 3. Good of the Order

The following courses were not on the consent agenda; however, they were in the Curriculum queue and ready to be reviewed by the Committee once the meeting began.

a. EDUC 0596 – Supervised Tutoring – Course Archive

b. EDUC 1002 – Introduction to Education – Course Archive

These two courses were approved to be archived. Sunny Greene motioned to approve and Charlie Roche seconded the motion.
