Item 3. Good of the Order

Neil is trying to schedule a GE Taskforce meeting for next Monday, February 8, 2016 at 1:00 p.m. Mike Graves requested to be added to the e-mail group.

Neil wondered about Eric Houck's duties and who will replace him on Curriculum. He asked Dr. Scott if a decision had been made yet and he informed the Committee that it hasn't been decided yet but he is working on Eric's replacement.

The Committee discussed the re-structure of the COSGE Pattern and getting rid of area I-Diversity. It was suggested to either get rid of it or diffuse it in the new pattern. There are currently 15+ courses under Area I which is too many. It needs to be determined which courses embody this area and look strongly at keeping Area I but be smart about what courses are under that area. The decision should be made at the Senate level not by the Curriculum Committee.

Item 4. Adjournment

Meeting was adjourned at 12:45 p.m.
