Item 1. Approval of Minutes – February 1, 2016

Regular Agenda

Item 2. Course Approvals in CurricUNET including, but not limited to:

a. FIRE 0950 – Fire Fighter I Academy – Course Update

This course was previously sent back to the originator Ryan Benson because there were too many SLO's and some were not outcomes. Ryan made changes and submitted the course to the beginning of the approval process, the Tech Review level. Because the course is being resubmitted the Committee agreed to move it up to the Curriculum Committee level for approval. Modifications still need to be made to the SLO's. Chris Vancil will meet with Ryan Benson to go over how to write SLO's.

This course was sent back to the originator, Ryan Benson, for corrections to the SLO's.

Item 3. Good of the Order

Neil is still working on scheduling a GE Taskforce meeting.

The question was raised again regarding Eric's replacement. Dr. Scott informed the Committee that he held a meeting with Eric, Jayne, Neil and Dr. South to determine Eric's duties so that he could proceed with finding a replacement for him. He stated that he is planning to fill the position in the next week or two.

The Senate Executive Committee met last week and inquired about a couple of things: 1) a Curriculum Handbook and 2) Flowcharts. Neil reviewed the flowcharts in CurricUNET and stated that he will work on a Curriculum Handbook. Mike Graves offered to assist him with it.

Next week's Curriculum Committee meeting has been moved from Monday, February 29, 2016 to Wednesday, March 2, 2016 so two members of the visiting Accreditation Team can attend the meeting.

Nancy Shepard will update the Curriculum Committee Web Page to include the current members before next week's meeting. Jodi will post today's minutes online as a draft.

Item 4. Adjournment

Meeting was adjourned at 12:45 p.m.
