**Item 3. Good of the Order**

Three members of the visiting Accreditation Team attended the Curriculum Committee meeting. The members were: Wendy Griffiths-Bender, Dr. John Fitzer and Dr. Richard Mahon. They asked questions regarding SLO's, program discontinuance and committee membership. They engaged in a brief discussion with the Committee and two members excused themselves and left early.

Neil asked the Committee if the flowchart question was answered from the previous meeting. The question was raised as to whether or not the flowchart in CurricUNET matched the Governance flowchart. The Committee agreed that they both need to be updated. CurricUNET will be cleaned up and updated and after that the Governance flowchart will be updated.

Neil updated the Curriculum Committee web page to reflect the current members. The Student Representative, Jon Michael Patterson was not included. Neil will add him to the list.

Neil is working on updating the Curriculum Handbook.

Dr. Scott invited the Program Review members to attend the Curriculum Committee meeting on March 7, 2016. He asked if the hour could be set aside for the discussion.
