

College of the Siskiyou  
ASSOCIATE DEGREE MAJOR

---

## Athletic Training

The A.S. Degree in Athletic Training program will introduce students to the field of Athletic Training and give them valuable clinical experiences. It will also allow students to take the basic course work needed in order to petition for acceptance into a National Athletic Trainers Association (NATA) accredited Athletic Training program within four-year institutions. Students who are interested in the field of Athletic Training will have the opportunity to begin their education at the community college level to fulfill the lower division requirements for Athletic Training major, and thus be academically prepared to transfer into accredited four-year programs to obtain baccalaureate degrees in Athletic Training.
