

## College of the Siskiyous

### **Associate Degree Option for Students who already hold NCTI (National California Training Institute) certification:**

This option is for students who have already completed the NCTI (National California Training Institute) program and hold a current California EMT-Paramedic certification. The student must have the following:

- 1) Proof of successful completion of the NCTI program
- 2) Hold a current California EMT-Paramedic certification
- 3) Complete COS General Education Areas A-I. (*See <http://www.siskiyous.edu/counseling/Handouts/AA.pdf> or current catalog.*)
- 4) Have a minimum total of 60 degree-applicable semester units
- 5) Have a minimum cumulative GPA of 2.0
- 6) Complete a minimum of 24 units (or the last 12 units) of the 60 in residence at College of the Siskiyous.

\*\*Please note that this option does not give the student 38 units of EMT 55, 56, and 57, but satisfies the EMT 55, 56, and 57 requirements for the Associate Degree-EMT/Paramedic major only.

### **Associate Degree Option for Students who already hold Firefighter I certification:**

This option is for students who already hold a current Firefighter I certification from their State Fire Marshal's Office. The student must have the following:

- 1) Hold a current Firefighter I certification
- 2) Complete COS General Education Areas A-I (*See <http://www.siskiyous.edu/counseling/Handouts/AA.pdf> or current catalog.*)
- 3) Have a minimum total of 60 degree-applicable semester units
- 4) Have a minimum cumulative GPA of 2.0
- 5) Complete a minimum of 24 units (or the last 12 units) of the 60 in residence at College of the Siskiyous

\*\*Please note that this option does not give the student the 15 units of FIRE 50, but satisfies the FIRE 50 requirement for the Associate Degree-Fire Science major only.
