

**College of the Siskiyous  
Associate of Science in Computer Science**

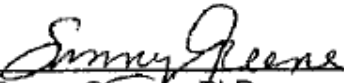

to

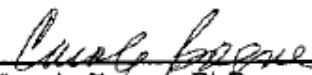

**Oregon Institute of Technology  
Bachelor of Science in Computer Engineering Technology  
Articulation Agreement  
2019-2020 Catalog**

It is agreed that students transferring from College of the Siskiyous Associate of Science degree in Computer Science to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Computer Engineering Technology (BCMP) program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both COS and Oregon Tech and is subject to a yearly reevaluation by both schools for continuance. The agreement is dated January 4, 2019.

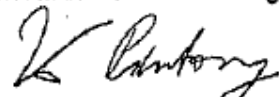

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement, students must be attending COS or have catalog rights to the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

<b>Total Oregon Tech Degree Quarter Credits Accumulated <sup>8</sup></b>	<b>186</b>

1. We will accept, but only if the student agrees to take a proficiency exam when they get to OIT.
2. Excess credits will transfer to Oregon Tech as general elective credit; these credits will **not** be used toward the Bachelor of Science in Computer Engineering Technology degree.
3. Select courses from the following COS prefixes: (CSUGE D1,2,3 or IGETC Area 3A, B, C) ART, ENGL, ETHN, HUM, MUS, PHIL, THEA, Second-Year Foreign Languages or others designated as Humanities by the Oregon Tech Registrar's Office. Please note that Oregon Tech only accepts 3 performance or studio based Humanities credits toward the 9 credit total.
4. Select courses from the following COS prefixes: (CSUGE D1,2,3 or IGETC Area 4) ANTH, ECON, GEOG, HIST, POLS, PSY, SOC or others designated as Social Science Electives by the Oregon Tech Registrar's Office.
5. Does not count toward 60 upper-division credit requirement.
6. Select from MATH 253N, MATH 465, MATH 341, or MATH 321.
7. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution and 45 credits must be from Oregon Tech.
8. Oregon Tech's Bachelor of Science Computer Engineering Technology degree requires quarter 186 credits.
