

PSYCHOLOGY (AA-T)

Psychology is the systematic and scientific study of human behavior and mental processes. It focuses on the biological, social, personal, and cognitive factors that influence behavior and covers such topics as the nervous system, sensation and perception, learning and memory, motivation and emotion, personality, development, normal and abnormal behavior, and social psychology. An Associate in Arts in Psychology for Transfer is for seamless transfer to a CSU. This option is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals. **Important:** To obtain the Associate in Arts Degree in Psychology for Transfer, students must complete the following requirements with a minimum grade point average (GPA) of 2.0:
