September 2011 1
ASSOCIATE DEGREE GENERAL EDUCATION REQUIREMENTS

Completion of all general education requirements before beginning the Radiologic Technology program is strongly recommended.

Please note: Starting in 2015, the American Registry of Radiologic Technologists will require an Associate Degree as eligibility to sit for the licensing examination.

Some program prerequisite courses will also meet General Education Requirements for the Associate Degree. However, please note that a course may be used only once to fulfill GE Requirements even though it may be approved for more than one GE area. The only exception is Area H (Global Perspectives and Environmental Literacy) which allows a single course to double count in another area of the GE pattern.

SOCIAL AND BEHAVIORAL SCIENCES (Select one course to fulfill Area D):
PSYCH 1A or 30 or 34 or COMM 7 or HIST 21
(see program prerequisites)
PSY 1001 or 1003 or 1004
(see program prerequisites)

HUMANITIES (3 units):
HUMAN 6 (see program prerequisites) or
Select from Associate Degree Area E
Select from Associate Degree GE Area D – Humanities

AMERICAN INSTITUTIONS (3 units):
HIST 21 (see program prerequisites) or
Select from Associate Degree Area F
Select from HIST 1017, 1018, or POLS 1001
(US Hist to 1877) (US Hist since 1877) (American Govt)

AMERICAN CULTURES/ETHNIC STUDIES (3 units):
COMM 7 or HIST 21 or HUMAN 6 or PSYCH 34
(see program prerequisites) or
Select from Associate Degree Area G
Select from Associate Degree GE Area I – Diversity

GLOBAL PERSPECTIVES AND ENVIRONMENTAL LITERACY (3 units):
Select from SRJC Associate Degree Area H or comparable course (Course may double-count in any other GE area)

INFORMATION LITERACY (1 unit):
Select from SRJC Associate Degree Area I or comparable course

MATH COMPETENCY: Will be met by completing the program math prerequisite (passing a math course listed under Communication and Analytical Thinking, intermediate algebra or higher level, with a letter grade of C or better.)

Applications are available online at http://online.santarosa.edu/presentation/page/?35556 and in the Health Sciences Department (707-527-4272). A formal advising session with a Health Sciences Counselor (707-527-4451) or the Radiologic Technology Program Director (Dr. Xuan Ho, 707-527-4346) is recommended before an application is made.

Program requirements are put in place by external accreditation and regulatory agencies and are not subject to catalog rights. Requirements are subject to change. For more information on the Radiologic Technology program, please see the Health Sciences web page at www.santarosa.edu/healthsciences.
