

College of the Siskiyou
Associate of Science (AS) Degree-EMT/Paramedic

Associate Degree Option for Students who already hold NCTI (National California Training Institute) certification:

This option is for students who have already completed the NCTI (National California Training Institute) program and hold a current California EMT-Paramedic certification. The student must have the following:

- 1) Proof of successful completion of the NCTI program
- 2) Hold a current California EMT-Paramedic certification
- 3) Complete COS General Education Areas A-I. (*See <http://www.siskiyous.edu/counseling/Handouts/AA.pdf> or current catalog.*)
- 4) Have a minimum total of 60 degree-applicable semester units
- 5) Have a minimum cumulative GPA of 2.0
- 6) Complete a minimum of 24 units (or the last 12 units) of the 60 in residence at College of the Siskiyou.

**Please note that this option does not give the student 40 units of EMT 55A, EMT 55B, 56, and 57, but satisfies the EMT 55A, 55B, 56, and 57 requirements for the Associate Degree-EMT/Paramedic major only.

If you have any questions regarding this option, please contact:
