Total units required

53 units

Upon successful completion of the program, students are eligible to take the National Board Examination. A passing score entitles you to become an LVN. In order to take the NCLEX exam, students must possess a U.S. Social Security Card.

Note: Students must receive a “C” grade or better in all major or certificate coursework.

Completion of math, writing and reading assessments are required for enrollment in any certificate or AA/AS degree program. Please contact Counseling Services for more information: (530) 938-5353.
