

## CAMPUS SECURITY ACT OF 1990

The Campus Security Act of 1990 (Public Law 101-542) requires that all colleges and universities receiving Title IV student aid assistance prepare and distribute an annual report which sets forth its policies on crime prevention issues and gives statistics on the number of arrests on campus for liquor law violations, drug abuse violations, and weapon possessions.

In addition, the act requires colleges and universities to provide timely warnings to the campus community of certain crimes reported to campus security by local law enforcement which may be considered a threat to other students and employees. On an annual basis, this information is disseminated to students, faculty, and staff in the Schedule of Classes.
