

## Library Guidelines for Internet Use

---

1. Internet access is provided in the library primarily for **school-related research**. It is not intended for games, chat, or entertainment. These computers must not be used for commercial purposes or for running private businesses.
2. If others are waiting, please limit use to 20 minutes. **Maximum use: 2 hours per day.**
3. There is currently no charge for printouts. Please limit printouts to 15 pages per session. Exceptions to this limit must be approved by the library staff.
4. **Unassisted** use of COS Library Internet access by non-COS student minors (under 18 years of age) unaccompanied by an adult is prohibited. **Assisted** use for minors is provided. Ask at the circulation desk.
5. Because the computers are in a public setting, display and distribution of offensive images and text is prohibited.
6. Use of the Internet must be in accordance with the COS Internet Use Policy <http://www.siskiyous.edu/policies/technology> and the COS Student Code of Conduct <http://www.siskiyous.edu/library/conduct.htm>
7. Users who fail to comply with the Library's Guidelines for Internet Use may lose their privilege to use the library computers.
