FOR IMMEDIATE RELEASE

Release #: 037 Date: August 7, 2009

LEARN HOW TO USE WINDOWS VISTA

Weed / COS – The College of the Siskiyous is offering **Windows Vista (CSCI 67 / #8036)** this fall semester at the Yreka Campus. This class will begin on Thursday, August 27 and will continue to meet each Thursday evening through October 22, 2009. The class will be held at the Yreka Campus, room 8 from 6 to 9 p.m. This class carries one unit of credit and will be taught by Larry Glenn.

Students will participate in fun, hands-on computer exercises, learn how to install and configure Windows Vista operating system, as well as how to upgrade and migrate on Windows Vista. In addition, students will learn how to file share and use networking on Windows Vista; configure network and user security; and, how to use internet configuration with Windows Vista. This course is open to all levels of computer experience.

Registration for this class is now open. For more information, call the COS Yreka Campus at (530) 842-1245, the instructor at 938-5892 or send an email to glenn@siskiyous.edu. The Weed Campus can also be reached by calling toll-free: (888) 397-4339. Students may also register for classes by visiting the COS website at www.siskiyous.edu and click on “COS Online Services.”
