FOR IMMEDIATE RELEASE

Release #: 019      Date: July 10, 2009

### **SUMMER BRIDGE 2009**

Weed / COS – Are you a new COS student who is anxious about the transition from high school to college? Do you want to learn more about the services available at COS? Do you worry about taking a math or writing class in college? Is math or writing a subject where you've had the most difficulty? Do you want to learn how to be a successful college student before entering college? If you answered yes to any of the questions, then College of the Siskiyous offers a great program designed especially for you. Our Summer Bridge program will help you to strengthen the skills needed to be successful in college and get you off to a start from day one.

This program will be held July 27 through August 7, from 9 a.m. to 1 p.m. at the Weed Campus (first day activities will extend to 3 p.m.). Students interested in registering should sign up for GUID 5 (#5296) – College Success Skills. Students will participate in an individualized, self-paced, college success skills program guided by COS Instructors which will help them review math skills and learn new ones in preparation for college level math courses, give recommendations on note and test taking strategies and much more. In addition, this course includes college orientation information led by COS Guidance Instructors which addresses COS support programs, career exploration, and more.

The cost for the two-week program is \$52 (\$20 per unit plus \$12 health fee). Lunch will be provided. Low income fee waivers apply. Harrold Pressley, formerly of the Sacramento Kings and Villanova University will be a special guest presenter.

For more information contact the Weed Campus Welcome Center at (530) 938-5555. Online registration is also available at [www.siskiyous.edu](http://www.siskiyous.edu) and clicking on the Navigator logo. The Weed Campus can also be reached by calling toll-free (888) 397-4339.
