COS OFFERS COMPUTER NETWORKING CLASS

Weed/ COS – This fall, College of the Siskiyous will offer a **Computer Networking (CSCI 27/ #8043)** at the Weed Campus. This class will meet Thursday evenings beginning August 20 from 6 to 9 p.m. in Temp Building 30, room 102, and will continue to meet weekly until December 17, 2009. Mike Midkiff is the instructor.

This course has been designed for students interested in working towards the CompTIA Network + certification. However, no prior computer networking experience is required. In addition to the Network + certification material, home and office network configuration, server operating systems, networking protocols, switches, routers and networking wiring standards will be covered. There will also be hands-on labs that coincide with the lectures every week. This class is 1 of 5 classes required for the PC Network/Hardware/Software Computer Science Certificate www.siskiyous.edu/cte/computer/

For more information contact Instructor Midkiff at (530) 938-5311 or send an email to midkiff@siskiyous.edu. To register, visit the Weed or Yreka Campus Welcome Centers or register online at www.siskiyous.edu and click on "COS Online Services." The Weed Campus may also be reached by calling toll-free (888) 297-4339.
