ROCKET BIKE DEMONSTRATION TO BE HELD OCTOBER 29

Weed / COS – In a dramatic test of Sir Isaac Newton’s Third Law of Motion, the College of the Siskiyous Physics and Welding Departments will present **Rocket Bike Demo!** On Thursday, October 29 at 11 a.m. in the quad area located between the Campus Gift and Book Shop and Abner Weed Hall, there will be a fun and exciting demonstration for the campus and community to enjoy!

This special event will be held during “College Hour” so students can take a break and watch the hard work of the Physics and Welding Departments come to fruition! Special thanks to Welding Instructor, James Sanderson, and his welding students for the design and construction of the bike; and to Jon McCarthy of Siskiyou Fire Equipment for the donation of a CO2 tank and refills.

For more information contact Physics Instructor, Mike Read at (530) 938 5224 or Mandy Twitchell at (530) 938 5589.
