COS ANNOUNCES AVAILABILITY OF STUDENT EMAIL ACCOUNTS

Weed / COS –Students who are attending COS will automatically receive a student email account once they contact the Computer Lab staff in the Learning Resources Center. If you are a student who is receiving a COS network access account, you may have already been added to the Live@edu accounts system. After your account has been created, visit <http://live.com> and log on using the username and password provided by the Computer Lab staff. Students who receive a Live@edu account will have an email address such as username@ins.siskiyous.edu, while faculty and staff are on a Microsoft Exchange system with email addresses of username@siskiyous.edu.

If you have a problem setting up your account or an @ins.siskiyous.edu account issue, problems resetting your password, or a browser issue, please contact the College of the Siskiyous Help Desk at (530) 938-5222 or stop by the Academic Success Center in the Weed Campus Learning Resources Center. Additionally, if you are a distance learning student, you may call this number as well in order to have an account created for you.
