### **COS Recognizes Staff for Years of Service**

Weed / COS – College of the Siskiyous recognized nine staff members for their years of service to the College during the annual Staff Appreciation Day on June 1.

“Each employee at COS plays an important role in the lives of our students and the communities we serve,” said Scotty Thomason. “We are more than just friends and colleagues who care about one another; we view each other as family and we care deeply about working together to provide exemplary service to our community. Celebrating our staff and recognizing their commitment to this College is critically important!”

The event, organized by the Staff Development Committee (Brynn Fogerty, Kelly Groppi, Ty Speck, Stephanie Wroten, and Mary Mericle), included professional development sessions, campus beautification projects, healthy exercise, lunch, and awards. The day was capped off with a raffle of prizes for each employee in attendance.
