Weed / COS – College of the Siskiyous recognized ten staff members for their years of service to the College during the annual Staff Appreciation Day on June 1. “Each employee at COS plays an important role in the lives of our students and the communities we serve,” said Dr. Stephen Schoonmaker, Superintendent/President. “We are more than just friends and colleagues who care about one another; we view each other as family and we care deeply about working together to provide exemplary service to our community. Celebrating our staff and recognizing their commitment to this College is critically important!”
