FOR IMMEDIATE RELEASE

**Release #: 013**  
**Date: August 28, 2020**

### **Strategies for Student Success**

Weed / COS – College of the Siskiyous has launched a “BOLD” pilot program this fall. Through enrollment in the Strategies for Student Success (COL 600 / #7449) class, university students who are taking courses online, will be able to take advantage of support services offered by College of the Siskiyous.

BOLD is a partnership with Shasta College through the Lumina Foundation. As BOLD expands, the College will be able to assist current Siskiyous students in transferring to an online program at one of the partner universities. College of the Siskiyous’ BOLD students will have the ability to continue utilizing Siskiyous services and receive support as they complete their four-year, online bachelor degree programs.

This class is offered as a FREE, noncredit, online course focused on strengthening skills to help students succeed in their classes. For more information contact Suzie Clark by emailing [lclark6@siskiyous.edu](mailto:lclark6@siskiyous.edu). Registration is open.
