**Satisfactory Academic Progress Requirement**

An EOPS/CARE and SSS program participant must maintain a minimum semester (term) Grade Point Average (GPA) of 2.0 and successfully complete at least 50% of the semester attempted units.

**Probation**

A student will be placed on probation if he/she earned a semester grade point average (GPA) below 2.0 in all “A-F” graded units and/or failed to successfully complete at least 50% of the semester attempted units. The criteria for non-completion are entries of “F” (failing), “FW” (failing/withdrawal) “W” (withdrawal), “I” (incomplete), or “NC” (no credit) on the official academic record.

A student who obtains a semester grade point average (GPA) of 2.0 or greater and successfully completes at least 50% of his/her semester attempted units will be removed from probation.

**Disqualification**

For program disqualification the student’s semester grade point average (GPA) must be below 2.0 and/or fail to successfully complete 50% of the semester attempted units for two consecutive semesters.

**Appeal**

A student who has been disqualified from the program(s) may appeal.

If the disqualification appeal is approved, the student will be removed from the EOPS/CARE and/or SSS disqualification status and placed in the probation status.

**New Program Participants (First Semester)**

Cumulative grade point average (GPA) from previous college(s), including COS, will be used in determining satisfactory academic standards. An EOPS/CARE and SSS new program participant will be placed on probation if his/her cumulative grade point average (GPA) is below 2.0 or failed to successfully complete at least 50% of the attempted units.
