College of the Siskiyous
EOPS/CARE & SSS

Counseling Contact Policy

EOPS/CARE PROGRAM PARTICIPANTS
A program participant is required to meet with the EOPS/CARE counselor (Kim Lopez) or with a COS counselor twice each semester—Jaimie Dillard, Sunny Greene, Denis Hagarty, Bruce Johnston, Kim Peacemaker or Valerie Roberts.

When a program participant is on EOPS/CARE probation or disqualification, however, he/she needs to meet with Kim Lopez when it is in regards to the probation or disqualification.

Probation: A student will be placed on probation if the student earned a term grade point average (GPA) below 2.0 the previous semester in all "A-F" graded units and/or failed to successfully complete at least 50% of the semester attempted units.

Disqualification: For program disqualification the student’s grade point average (GPA) must be below 2.0 and/or fail to successfully complete 50% of the semester attempted units for two consecutive semesters.

SSS PROGRAM PARTICIPANTS
A program participant is required to meet with the SSS counselor (Kim Lopez) or with a COS counselor twice each semester—Sunny Greene, Denis Hagarty, Bruce Johnston, Valerie Roberts, Jaimie Dillard, or Kim Peacemaker.

When a program participant is on SSS probation or disqualification, however, he/she needs to meet with Kim Lopez when it is in regards to the probation or disqualification.

Probation: A student will be placed on probation if the student earned a term grade point average (GPA) below 2.0 the previous semester in all “A-F” graded units and/or failed to successfully complete at least 50% of the semester attempted units.

Disqualification: For program disqualification the student’s grade point average (GPA) must be below 2.0 and/or fail to successfully complete 50% of the semester attempted units for two consecutive semesters for two consecutive semesters.

PARTICIPANTS OF BOTH PROGRAMS
If a student is a participant of both programs, he/she needs only two counseling contacts each semester.

These counseling contacts are designed to assist students in their educational success. Failure to do so will affect their EOPS book voucher and SSS grant services.

➢ Program participants are responsible for turning in the counseling contact form to the EOPS/CARE & SSS Office to be recorded in their file(s) after meeting with a COS counselor.
