February 14, 2018 (Convened at 8:05am) in Instruction Office

A. Opportunity for Public Comment

- ❖ No public comment.

B. Approval of Minutes

- ❖ No minutes were presented.

C. Discussion Items

- ❖ **Senate Exec will consider the Guided Pathways Implementation Plan** – Dr. Zach Zweigle and Dr. Sunny Greene discussed with us their intention to take the Guided Pathways Implementation Plan to the Academic Senate meeting scheduled this Friday. They have been working on a report and a timeline to submit to the Chancellor's Office. They were required to broadly set a plan for each of the four pillars of Guided Pathways from the Spring 2018 to Summer 2019.
 - They envision that a Steering Committee will need to be formed. The VPs will appoint 4 – 6 members (Chris clarified that Academic Senate will select the faculty for this committee). The Steering Committee will be composed of faculty, staff, and administration. The Steering Committee will bring issues to the VPs, who then go through the sharing governance process to make sure these issues are addressed.
 - Dr. Zweigle and Dr. Greene will email the report and the timeline to Andrea who will then email it out to faculty members, along with a reminder of the Academic Senate meeting.
 - Chris stated that once the Academic Senate grants approval of the Guided Implementation Plan, he will sign off on it.

- ❖ **Adjournment** at 8:30am
