Accreditation: Steve Reynolds

<http://www.siskiyous.edu/academicssenate/agendas-minutes/Senate/2014-2015/InstSetStandards.pdf>

Discussion:

The origins of transfer data are somewhat unclear

Request to Scotty for data to set standards is urgently needed

To examine data regarding student success, retention, transfer, success after transfer, earned degrees, and earned certificates data to determine what College of the Siskiyous minimums for each of those should be.

Ad Hoc committee formed: Dave Clarke, Jayne Turk, Charlie Roche, Alison Varty, Brian Busk.

**Reynolds/Vancil/Unanimous**

We DO have accreditation areas where we do NOT meet the standards. Institutional Dialogue needs to reflect this.
