Hi Todd,
This will go on the October agenda.

Thanks,
Stephanie

Hi Dr. Droker,

Please find a sub change proposal for the College of the Siskiyous, this is to fulfill a recommendation from our comprehensive visit. Also, as I understand it, dates have been established for our follow-up team visit on November 6&7? I am the AOL completing the follow-up report, our Board just approved it last night, so I am gathering the signatures for the document for submission. Will I then be formally notified of the visit so I can begin logistics?
