I am requesting enrollment in the above course on a P/NP grading option. I understand that:

- 1) P/NP courses cannot be in major field.
- 2) Some transfer colleges and universities **may not** allow P/NP courses in degree minors or general education.
- 3) P/NP courses **are not** calculated in COS Grade Point Average.
- 4) PASS units earned **are not** counted toward unit load for President's List, Dean's List, or for Phi Theta Kappa membership.
- 5) Students may elect to take one regularly graded course on a P/NP basis each semester.
- 6) A PASS is awarded when a grade of A, B, or C is earned. A NO PASS is awarded when a grade of D or F is earned.
- 7) The P/NP grading option may not be changed once this form is submitted to Admissions & Records.

Petition must be submitted by end of the 6th week for full-semester classes and no later than 30% of the way through the class for short-term or irregularly scheduled classes (check with Admissions & Records for exact dates).
