

# Zero Textbook Costs Class List Fall 2021

Updated September 28, 2021

Many College of the Siskiyous classes have **zero textbook costs!** That means that your class either has no textbook or that you have **free** access to online textbooks because the instructor chose an “open education resource” (OER) textbook or because the COS Library is able to provide a free ebook copy (simply login with your COS email and password).

- Print copies of textbooks are available for purchase from the COS Bookstore and are available for use in the Library
- Library ebooks have some quirks: the video [Using Library Ebooks as Textbooks](#) has more info
