

# Zero Textbook Costs Class List Winter 2024

*Last updated November 15, 2023*

Many College of the Siskiyous classes have **zero textbook costs**! That means that your class either has no required textbook or that you have **free** access to online textbooks because the instructor chose an “open education resource” (OER) textbook or because the COS Library is able to provide a free ebook copy (simply login with your COS email and password).

- **Print copies of textbooks** are available for *purchase* from the COS Bookstore.
- **Print copies of textbooks** may be available for free *semester checkout* from the Library (supplies limited)
- **Print copies of textbooks** may be available for *use in the Library* (free)
- Library ebooks have some quirks: the video [Using Library Ebooks as Textbooks](#) has more info
