The Board shall provide opportunities for members of the general public to participate in the business of the Board.

Members of the public may bring matters directly related to the business of the District to the attention of the Board in one of two ways:

1. There will be a time at each regularly scheduled Board meeting for the general public to publicly comment on items not on the agenda.
2. Members of the public may place items on the prepared agenda in accordance with Board Policy 2340 titled Agendas.

If requested, writings that are public records shall be made available in appropriate alternative formats so as to be accessible to persons with a disability.
