In accordance with the standards of the Accrediting Commission for Community and Junior Colleges, the College shall conduct a comprehensive self-evaluation report every six years and, as needed, host a visit by an accreditation team. Mandatory midterm reports are prepared and submitted to the Accrediting Commission in the third year of each six-year cycle.

Those employees who are responsible for the functions related to the accreditation standards must be involved in the self-evaluation report and team visit.

The process for producing the written document that is the comprehensive self-evaluation report must include:

- A Steering Committee Chair, appointed by the President, in consultation with the respective senate when a member of that senate is selected;
- Accreditation Liaison Officer, appointed by the President;
- Active, campus-wide involvement of administrators, faculty, classified staff, and students; and
- A steering committee.
When the self-evaluation report is completed, it must be reviewed and approved by the Board of Trustees prior to submission to the Accrediting Commission.
