EMERGENCY RESPONSE AND EVACUATION PROCEDURES

General information about the emergency response and evacuation procedures for the District are publicized each year as part of the District’s Clery Act compliance efforts and that information is available on the District website.

All members of the campus community are notified on an annual basis that they are required to notify the Weed or Yreka Police Department of any incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of students and employees on campus. Local police have the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, local
The Emergency Response Plan is the District’s planned response to all hazards on or affecting the campus or surrounding community. The plan will be activated by the District Superintendent/President or his/her/their designated representative. The Emergency Response Plan includes procedures for emergency planning, response, and recovery.
Plan details actions and responsibilities for all employees of the District including those on the Incident Management Team. The Emergency Response Plan is found on the District Safety Committee web page and in printed copy in the President’s Office.
