

**CHAPTER 5: STUDENT SERVICES
ADMINISTRATIVE PROCEDURE NO. 5200**

COLLEGE OF THE SISKIYOU

Procedure Manual

Title: Student Health Services

Revision Date: 11/09; April 10, 2014

Responsible Office: Student Life

Reference: BP 5200; Education Code 76401

Student health services shall be provided in order to contribute to the educational goals of students by promoting physical and emotional well being through health oriented programs and services.

The Student Health Fee paid at registration provides the following services for students:

- Free services at the Health Clinic held once per week on campus.
- Accident insurance for class related injuries. This is a secondary policy which covers students during the time they are enrolled. The College does not assume any responsibility for student accident or injury beyond the coverage provided by the student accident insurance (AP 5205).
- Health education programs and events.
- Psychological counseling.

Students may purchase health insurance separately through a College recommended plan.
