This workshop will introduce instructors to the services and tools in Turnitin, including Grademark, Peermark, and Originality Check. Instructors who attend should have their own Turnitin account. Send your first and last name, and your email address (either siskiyous.edu address or your preferred email address) to Maria Fernandez, fernandez@siskiyous.edu, and you will be added before the workshop. Instructors can also receive an account during the workshop as well. Instructors who can't attend but wish to get an account for their spring semester courses can send their first and last name, and their email address (either siskiyous.edu address or preferred email address) to Maria Fernandez, fernandez@siskiyous.edu, and they will be added.
