Discussion:

Review “Assessment Training Guide”

SLO Mapping Questions

Assessment/Rubrics Questions

Discuss “Roles and Responsibilities”

How are other colleges structuring their SLO Assessment Process?

What roles have they assigned to their Deans, Department Coordinators, Faculty, etc?

We are considering using Course/Context Coordinator vs Department Coordinator, because we don't officially have departments at COS.

Please describe each of the roles and responsibilities so the committee can determine which apply to COS and how we want to configure our system.

Do we create Custom Roles?

Discuss Managing SLOs

Adding and Changing SLOs

What do we need to think about to avoid unintended consequences?

SLOs are housed on curriculum side (CORs and PORs) but managed on SLO side, how does that work?

How do changes relate to Program Review?

Notes:
