

ADMINISTRATION OF JUSTICE

Administration of Justice is the study of the principles of the federal, state, and local justice systems and subsystems. The curriculum prepares students for careers in a variety of criminal justice fields at the local, state, and national levels. The two-year degree program at College of the Siskiyous allows students to complete an Associate of Arts degree. The Administration of Justice Program also offers a comprehensive Public Safety Training Program including a Police Officer Academy and State-mandated training courses for the Law Enforcement Community.
