

THEATRE PERFORMANCE

The Theatre Performance program is a rigorous and exciting program that trains its students in a variety of theatrical disciplines, including acting, playwriting, theatrical makeup, script analysis, directing, stage management, lighting, design, and stagecraft. Majors will have the opportunity to participate in up to four productions a year: three main stage productions and a one act festival in our smaller black box venue. Theatre Arts graduates will be prepared to transfer to a four-year university for further training; find entry level work in technical theatre; act, write or direct on a community or professional level or in film or television. It is highly recommended that students who wish to transfer may want to consult their counselor to help them determine the best course of action for their goals.

Important: To obtain the Associate in Arts Degree in Theatre Performance, students must complete the following requirements with a minimum grade point average (GPA) of 2.0:

- The Theatre Performance major requirements below.
- The College of the Siskiyous General Education Pattern (COSGE) requirements.
- Any needed electives to reach a total of 60 COS degree-applicable units.
- All major courses and any courses noted on the COSGE check sheet must be completed with a C or better.
