California College Promise Grant

Effective Beginning Fall 2016

Senate Bill 1456 Seymour-Campbell Student Success Act of 2012 requires that a student qualifying for a fee waiver meet minimum academic and progress standards adopted by the Board of Governors.

Students who are eligible for the California College Promise Grant may lose their eligibility if they fail to sustain a GPA of 2.0 or higher and/or complete more than 50 percent of their coursework. If a student's cumulative GPA falls below 2.0 for two consecutive primary terms (fall and/or spring), the student is placed on academic probation. If the cumulative number of units completed is not more than 50 percent in two consecutive primary terms, the student is placed on progress probation.

Academic: Maintain a CGPA of 2.0 or higher

Progress: Complete more than 50% of coursework successfully (cumulative)

Any combination of two consecutive primary terms of academic and/or progress probation may result in loss of fee waiver eligibility.

Once academic standards have been determined, the student can lose eligibility for the California College Promise Grant for all terms including Winter and/or Summer, not just primary terms (Fall and/or Spring).
